Kenney Headquarters (P) Command Briefing

On Behalf of

Lt Gen Dave Deptula

Kenney HQ (P) Commander

Today's Briefer:

Capt Dave Morrow, KHQ/CCX

THIS BRIEFING IS UNCLASSIFIED

Our Namesake
George Churchill Kenney

- 75 combat missions in WWI with 2 x A-A Kills
- General MacArthur's air commander in the Southwest Pacific during WWII
- Commanding General, Allied Air Forces Southwest Pacific, and Commanding General, Fifth Air Force 1942-1945
- 1943 Battle of the Bismarck Sea, Gen Kenney's B-17s sink 16 enemy ships in convoy
- Commander Far East Air Force (FEAF), mid-1944 merged 5th and 13th Air Forces in FEAF
- Staunch proponent of air power's ability to shape the outcome of military engagements —championed *air superiority* as key enabler
- In 1946 Gen Tooey Spaatz, Commander Army Air Forces, appointed Gen Kenney the first commander of Strategic Air Command
- 1948 CSAF Gen Vandenberg tapped Gen Kenney to command Air University
- Retired 31 August 1951; died 9 August 1977

Our Namesake
Gen George Churchill

Gen Spaatz Gen Kenney Gen MacArthur

At an airfield near Tokyo, 30 August 1945

"Of all the commanders of our major air forces engaged in World War II, none surpassed General Kenney in those three great essentials of successful combat leadership: aggressive vision, mastery over air strategy and tactics, and the ability to exact the maximum in fighting qualities from both men and equipment."

–Gen Douglas MacArthur

Flight Plan

- Why a New Level of Command?
- Separation of Functions and Organization
- Full Spectrum C2 for the CDRUSPACOM
- Commander's Vision

Why a New Level of Command?

- **Challenges for 21st Century Air Component Employment**
  - **Conflict redefined – coexists with 'peace' 24/7/365**
  - **Integrated C2 across spectrum of conflict**
  - **Joint & coalition warfighting the *standard***
  - **Network-centric C2 unlocks Global**

Demands New Capability to Meet these Challenges
Legacy C2 from Legacy Organizations Can't Answer Need

Why the WFHQ is the Answer

- **New Echelon of Command Ready to Meet 21st Century Challenges**
  - **Operational 24/7/365 – no transition required**
  - **Trained and ready to plan, execute, assess full spectrum air, space, and information ops**
  - **Joint-focused – WFHQ/CC is a ready COMAFFOR positioned to assume JFACC duty for CDRUSPACOM**
  - **Warfighting AOCs fulfill promise of Network-centric**

The Kenney Headquarters implements CSAF WFHQ Vision

Brings Full-Spectrum Networked Air, Space, & Info Ops to Pacific

What Difference Will it Make?

- **The warfighting Kenney Headquarters will achieve a paradigm shift**

- **In the past, Operational-level warfighting conducted ad hoc**
  - **NO operational command staff**
  - **NO operational AOC**
  - **NO operational war plans – detailed deployment plans only**

The Kenney Headquarters is an Operational-level Warfighter

Full Spectrum Planning from Disaster Relief to Major Conflict

Rapid Contingency Response – Eliminating Transition Time

Flight Plan

- Why a New Level of Command?
- **Separation of Functions and Organization**
- Full Spectrum C2 for the CDRUSPACOM
- Commander's Vision

Separation of Functions
PACAF HQ – Kenney HQ

Plan
Execute
Assess
Air, Space, & Info Operations

Kenney Headquarters Focus:
Deliberate and Crisis Action Planning
24/7 C2 for Air, Space and Information Operations

WFHQ Mission

"…completely focus his/her efforts and the efforts of the AFFOR staff and AOC on the priorities of the Unified Combatant Commander or JFC while minimizing the burden of routine management functions…"

Air Force Forces, Command and Co
Enabling Concept, 10 Feb 05, Para 7

Kenney HQ Mission

Plan, command, control, execute, and assess air, space, and information operations in the United States Pacific Command's Area of Operations (less Korea Theater of Operations) in support of Commander, United States Pacific Command's regional strategy. Perform regional engagement activity, as directed, and Deliberate and Crisis Action Planning (CAP) and operational execution. Operate and maintain readiness of Pacific Air & Space Operations Center (PAOC).
